12/4/69

Dear Paul,

Enclosed is the response to my request for the Pons 11/22/62 story. One of the stories dealt with a morals rap Pons beat (I know ~~it~~ of it- he employed a woman as a barmaid and she whored) and with Bringuier's filing a suit against Lim.

Pons has not responded to my recent letters and may not. If he does, I'll try and remember to ask him if he has a copy of it. Strange they do not find it. Is there a mistake in the date?

Sincerely,
